Dear Sponsor,

The Knights of Columbus (KofC) Council 9544 will be holding **our Annual Charity Golf Tournament** on Monday, September 13, 2021 at the Stittsville Golf Course. This year the Tournament will support **The Royal Ottawa Foundation for Mental Health, Kanata Food Cupboard, Youville Centre, and Shepherds of Good Hope – Hope Living Facility in Kanata.**

We will holding this year's Annual Charity Tournament in the fall . We feel more confident in going ahead based on the implementation of the Covid vaccine inoculations and how successful the golf courses have been in managing safe play. Building on this good news we anticipate the full participation of 144 golfers.

You can help share in the success of our fundraising efforts by being a **Corporate Sponsor** and support our neighbours in projects that address the vulnerable, disadvantaged and needy in our community. There are several sponsorship opportunities available from the Platinum level to the Bronze level. Each offers several tangible benefits, including online exposure on the event website and on-site exposure during the event. Besides Corporate Sponsors, we are also seeing the **donation of items** for the silent auction and contest prizes.

Through your involvement as a Corporate Sponsor or a donor for this event, you would be promoting your business to a group of people who are very loyal to our local businesses, our community, and the charities we support. We would be grateful of any support you can provide. With the generosity of past participants Corporate Sponsors, and donors, we have contributed over \$205,000 to the community.

We hope that you will seriously think of becoming a Corporate Sponsor or a donor this year. To assist you, we have provided a Sponsorship[Guide and additional information at kofc9544.ca/sponsorship.

Thank you in advance for considering our Annual Charity Golf Tournament.

Sincerely,
